

SEAHURST SATURDAYS

ENVIRONMENTAL SCIENCE CENTER

SATURDAYS 10AM – NOON (EXCEPT JUNE 8TH)

MAY 18 ANIMAL DETECTIVES

Practice moving like different animals and make up your own track stories. Then hit the trail looking for animal signs (nests, homes, tracks, scat). Each participant will take home their own plaster track.

MAY 25 STORMWATER ADVENTURE!

Play games, explore tools, tell stories, and dance to learn more about the water all around us!

JUNE 1 SCIENCE IN ACTION! FISHERY OBSERVERS

Place yourself in the shoes of a fisheries observer and conduct your own “fish population survey”! Learn about fish from different places and how to count and identify them. *Recommended ages: 10 and up.*

JUNE 8 BATS, BATS, BATS! NIGHT PROGRAM 7-9PM

Visit Seahurst Park at night to learn about the bats of the Pacific Northwest. Spend time outside with an expert “bat lady” looking for signs of bats. Don’t forget your flashlight and hiking shoes!

JUNE 15 & 16

VISIT ESC AT THE BURIEN WILD STRAWBERRY FESTIVAL

JUNE 22 DOG-EAT-DOG WORLD: FOOD CHAINS AT SEAHURST BEACH

It's a rough life in the wild when everyone wants to eat you. Play games and examine marine plankton to look for earth's most terrifying PREDATORS!! Also, spend time on the beach with naturalists.

JUNE 29 NATURE SCAVENGER HUNT

Explore Seahurst Park with all of your senses! Learn about the diverse life right here in the park and then explore with a fun and educational nature hike.

JULY 6 INSECT SAFARI

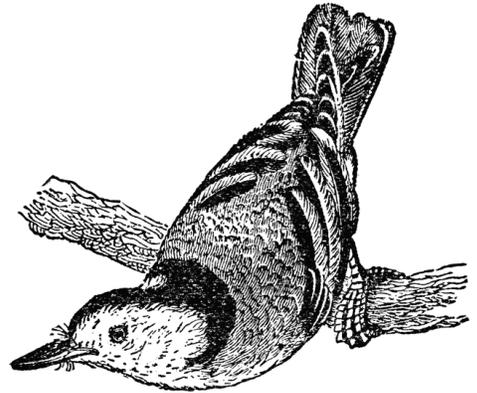

This is your chance to view thousands of insects from all around the world! Then take a short walk around Seahurst Park to learn how to collect and sample for insects.

JULY 13 SCATOLOGY- ODD DIGESTION IN THE ANIMAL KINGDOM

Compare human digestion to other animals then look for scat and food sources of animals at Seahurst. Upon returning to the center, learn about digestion in birds of prey by dissecting a real owl pellet!

JULY 20 BEACH EXPLORATION

Your little ones will love learning about what lives at Seahurst Beach through puppets, art, and hands-on exploration! Also, spend time on the beach with a trained naturalist. *Recommended ages: 2-6 years, older siblings can join, too.*
