

JOIN THE ENVIRONMENTAL SCIENCE CENTER, CASCADIA CONSULTING GROUP,
MASTER GARDENERS, AND SUSTAINABLE BURIEN FOR A FREE WORKSHOP!

BUILD BEAUTIFUL YARDS: HEALTHY SOIL, COMPOSTING, AND MORE!

SUNDAY, MAY 19
2:00PM – 4:00PM

Burien Library
Multipurpose Room

400 SW 152nd Street
Burien, WA 98166

Image by: Treehugger.com

A beautiful garden or yard depends on healthy soil. Learn how to achieve this while also keeping the Puget Sound and our community vital. Master Gardener, Mary Machala, will show you examples and tools to use to build soil health inexpensively. Gretchen Muller, Senior Associate at Cascadia Consulting Group, will also speak on low-impact development practices and protecting our watershed.
