

JOIN THE ENVIRONMENTAL SCIENCE CENTER, MASTER GARDENERS, SUSTAINABLE BURIEN AND VILLAGE GREEN PERENNIAL NURSERY FOR A FREE WORKSHOP!

NATURAL YARDS:

NATIVE PLANTS, RAIN GARDENS, AND MORE

SUNDAY, JULY 27

2:00PM – 4:00PM

Burien Library
Multipurpose Room

400 SW 152nd Street, Burien, WA 98166

Learn how to create a beautiful addition to your yard while also keeping the Puget Sound watershed healthy. Bev Morrow, Rain Garden Educator, Master Gardener, and Native Plant Steward will discuss how rain gardens lessen the impact we have on our watershed, in addition to providing practical advice on how to install and maintain your own. Vera Johnson, owner of Village Green Perennial Nursery, will be on hand to answer questions about organic gardening, edible landscapes, and more!
