

# Issue 2: Habitat Diversity and Connectivity

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 2: Habitat Diversity and Connectivity

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 2: Habitat Diversity and Connectivity

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 2: Reconnecting Terrestrial/Riparian and Aquatic/Intertidal Habitats

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 2: Reconnecting Freshwater Streams and Marine Habitats

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

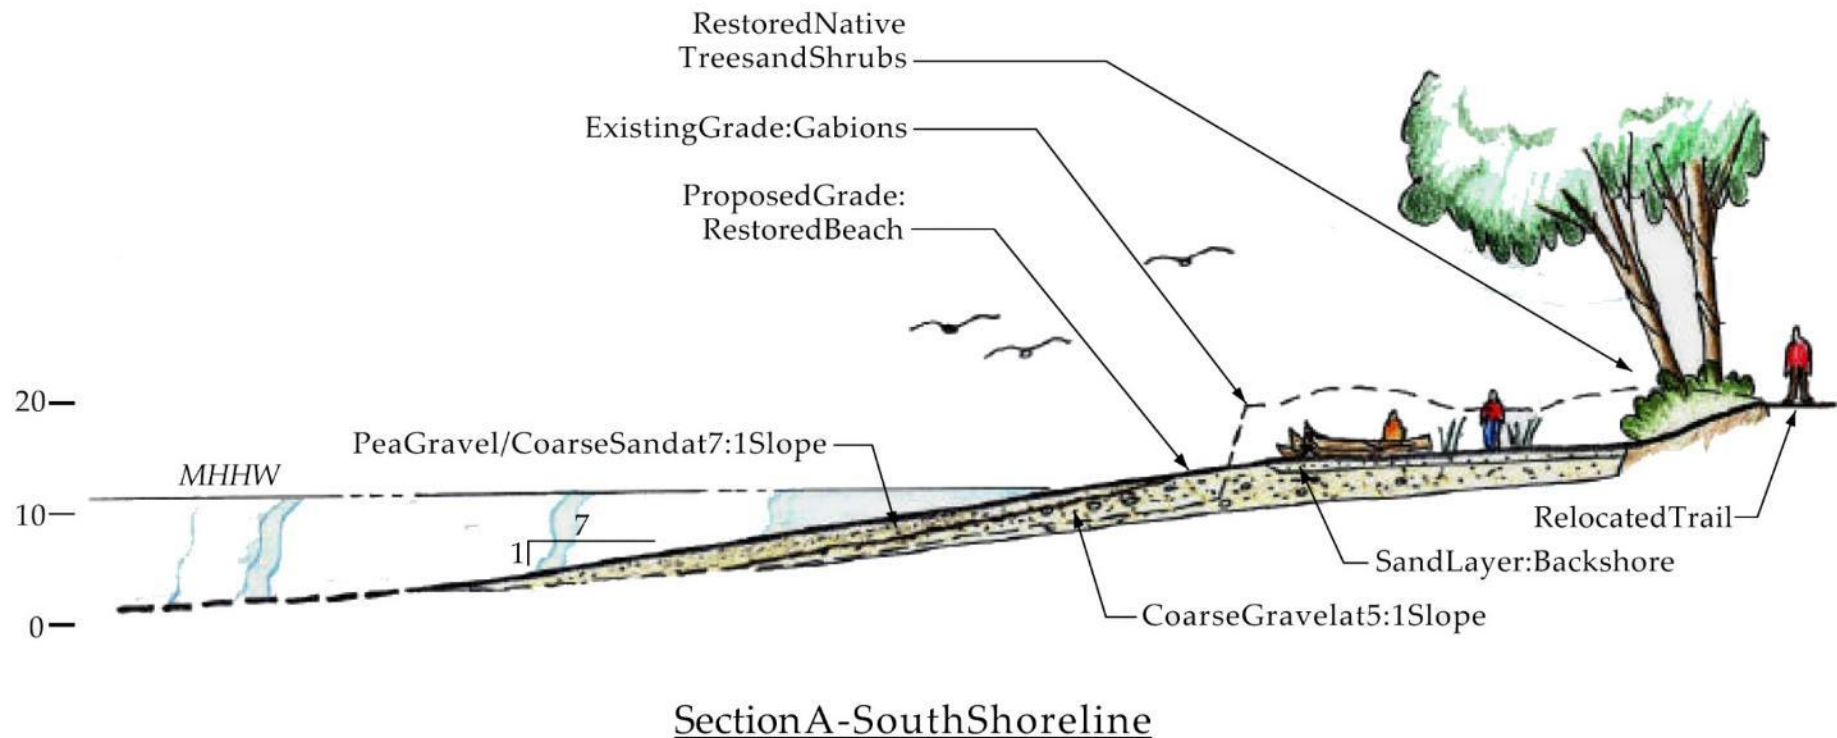

6: Relocating /  
Redesigning Infrastructure

# Issue 3: Public and Stakeholder Priorities

- Public
  - Keep it Natural/Don't Overdevelop
  - Improve Parking and Path Access
  - Address Shoreline Stability
  - Improve Public Stewardship and Education
- Stakeholders
  - Operation and Maintenance
  - Ecosystem Restoration Goals

# Issue 3: Balancing Habitat, Access, and Shoreline Stability

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

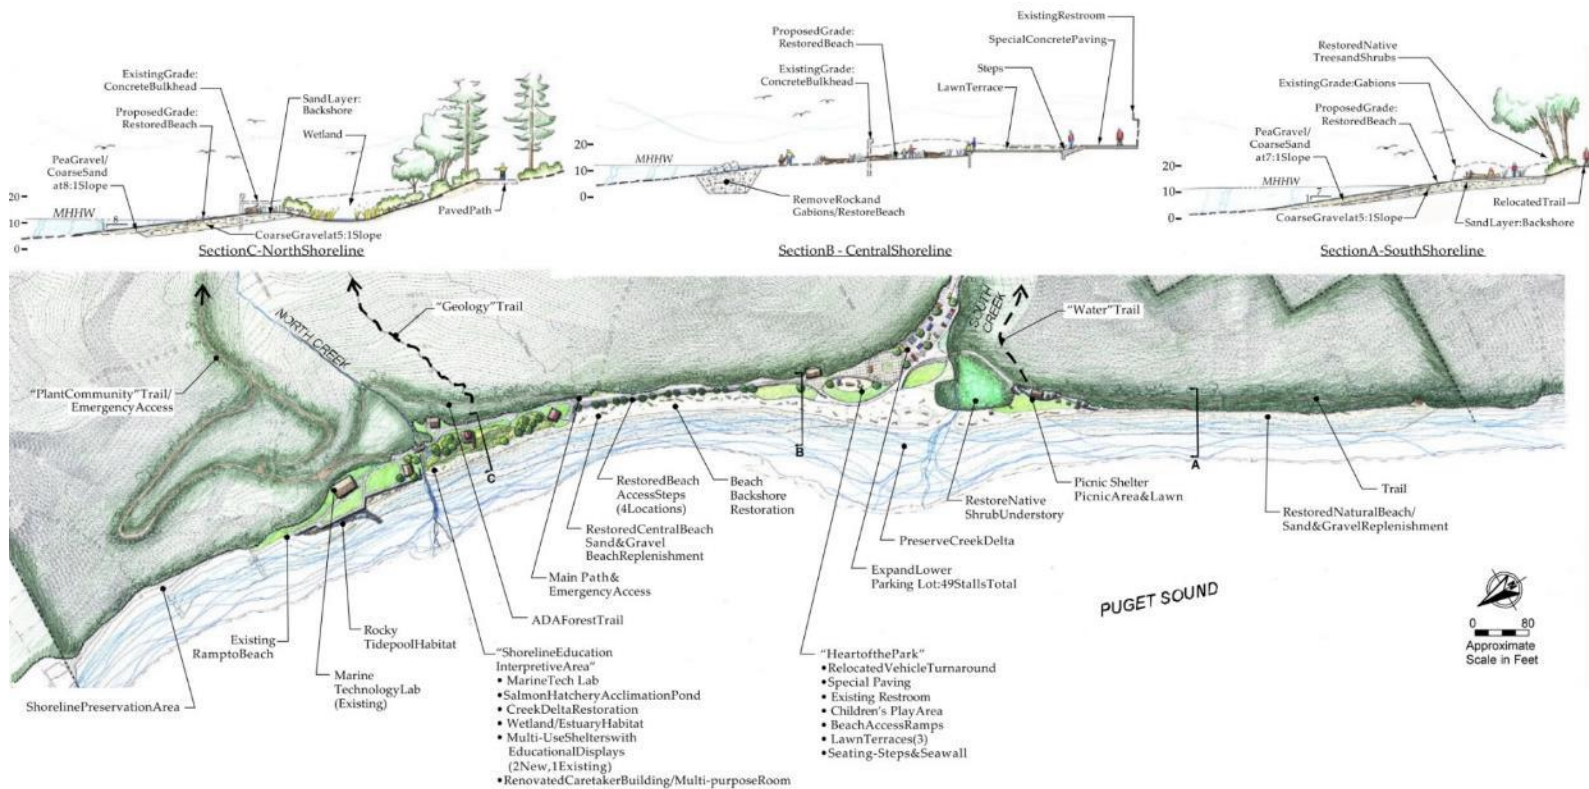

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 4: Balancing Park Use and Habitat

## Master Plan - Shoreline Portion City of Burien Parks, Recreation & Cultural Services *Seahurst Park Master Plan*

Consultant Team

Wolfbauer, P.E.

# Issue 4: Integrating Shoreline Habitat and Public Shoreline Access

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

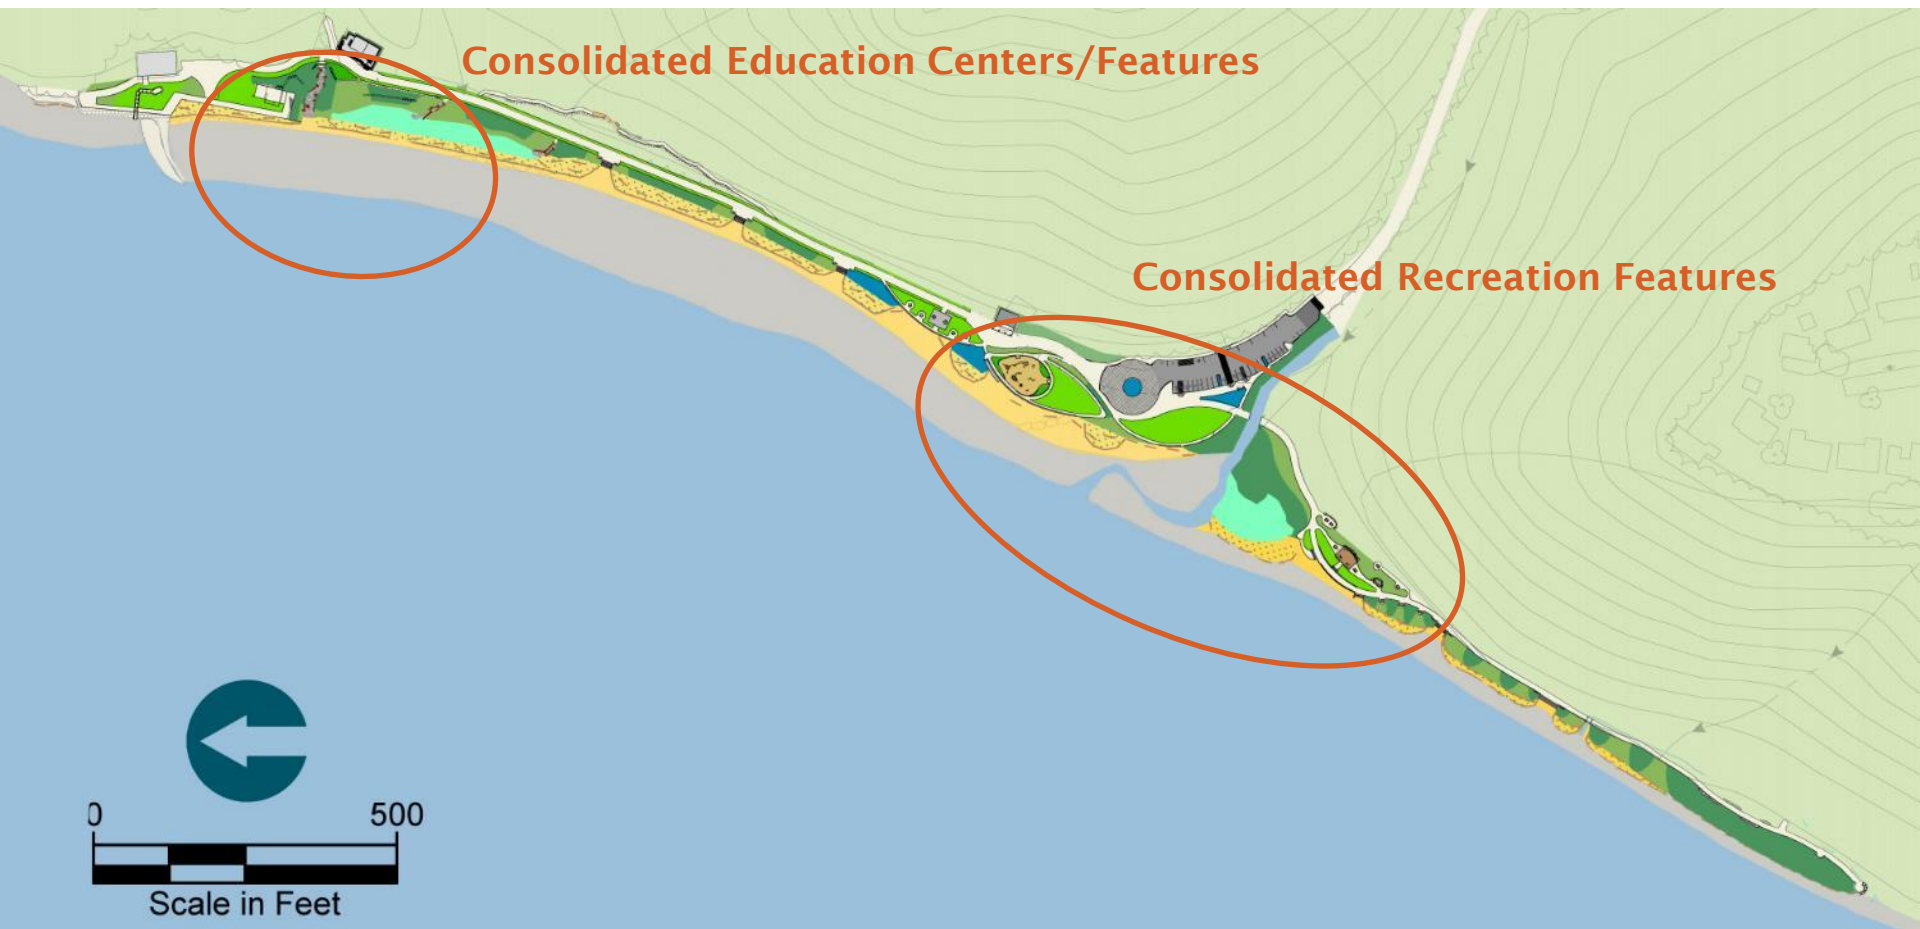

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 4: Integrating Shoreline Habitat and Public Shoreline Access

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

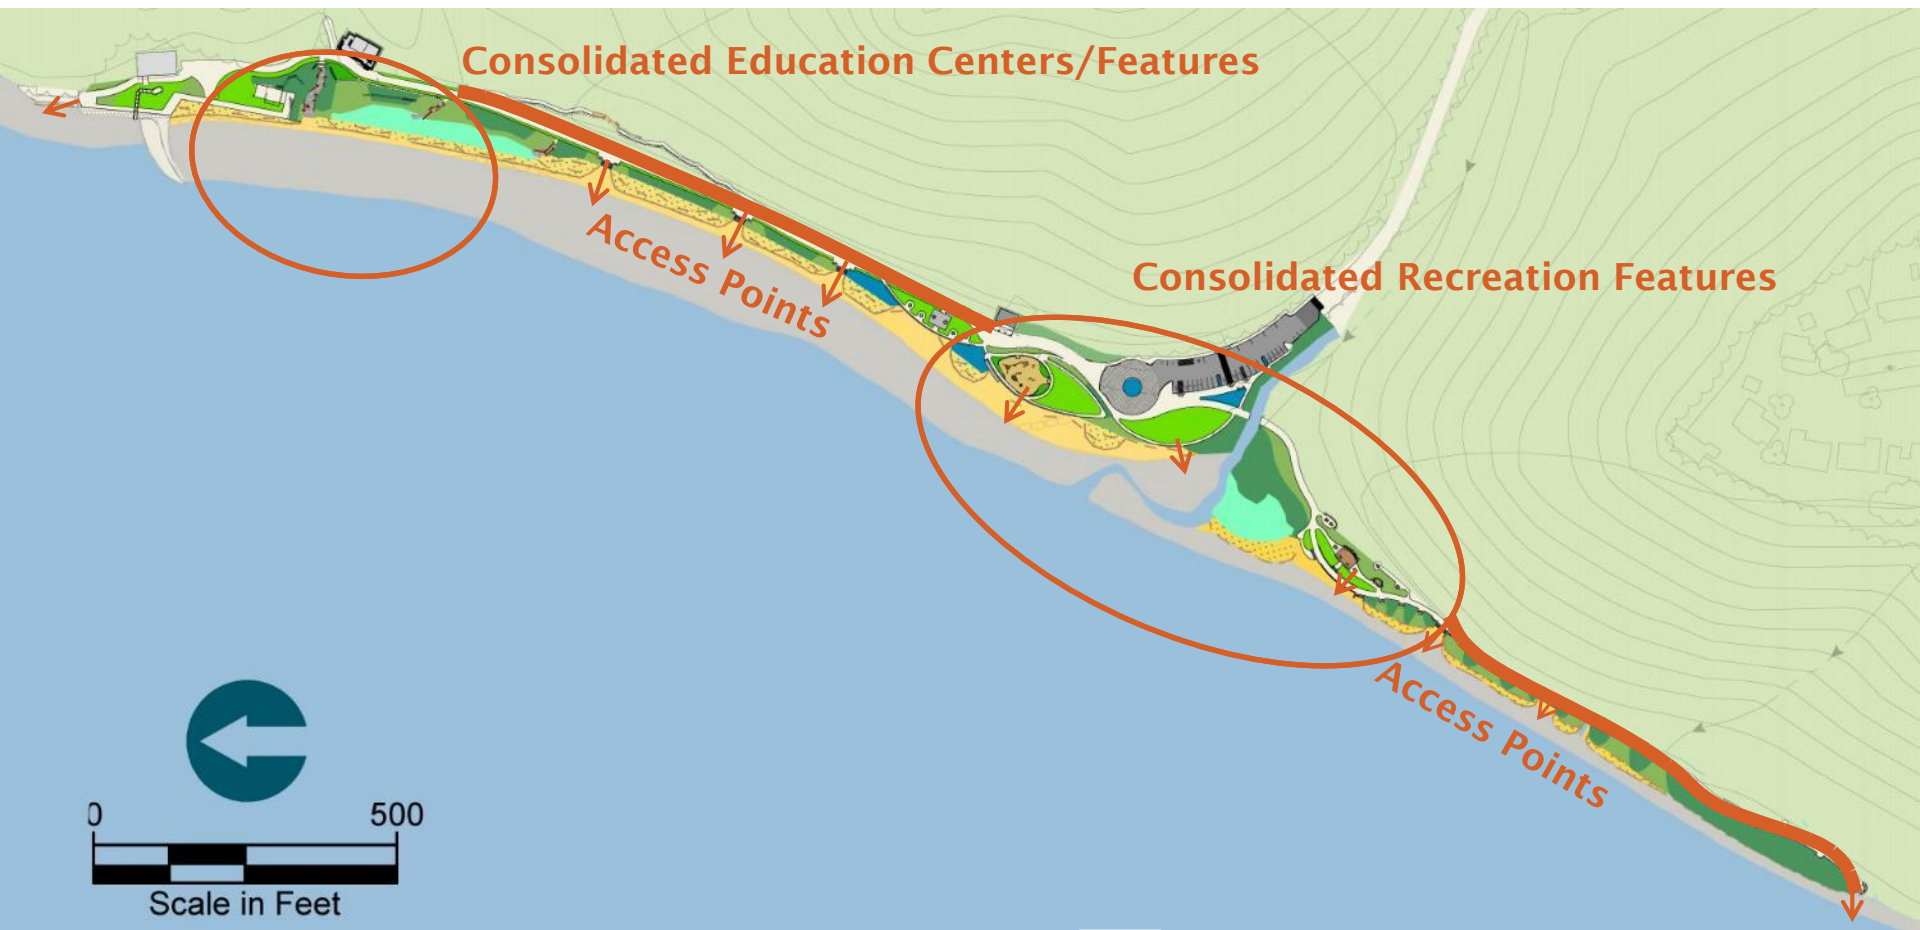

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 4: Integrating Shoreline Habitat and Public Shoreline Access

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

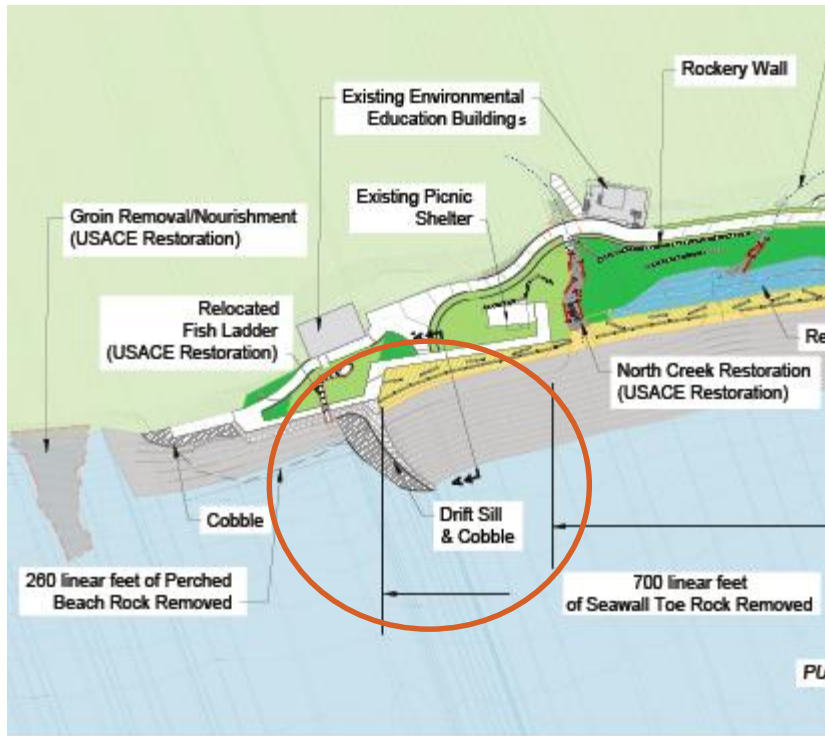

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 4: Integrating Shoreline Habitat and Public Shoreline Access

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 5: Supporting Educational Use

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 5: Supporting Educational Use

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 5: Supporting Educational Use

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 6: Relocating and Redesigning Infrastructure

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 6: Relocating and Redesigning Infrastructure

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 6: Relocating and Redesigning Infrastructure

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 6: Relocating and Redesigning Infrastructure

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 6: Relocating and Redesigning Infrastructure

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

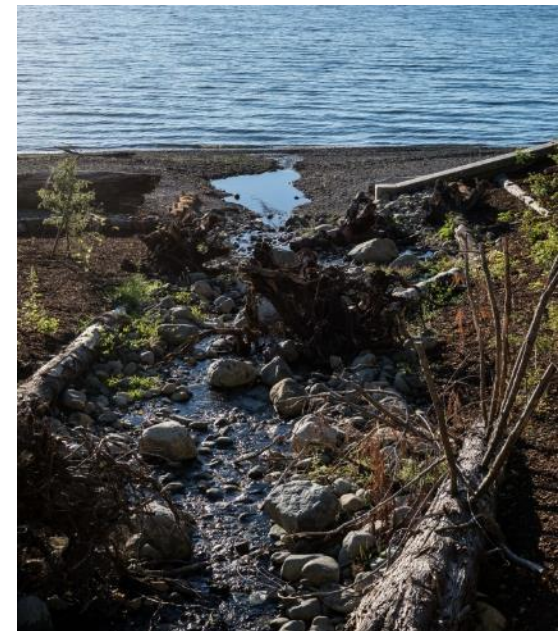

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure

# Issue 6: Relocating and Redesigning Infrastructure

1: Supporting Habitat  
Forming Processes

2: Habitat Diversity and  
Connectivity

3: Public and  
Stakeholder Priorities

4: Balancing Park Use  
and Habitat

5: Supporting  
Educational Use

6: Relocating /  
Redesigning Infrastructure
